‘Leap’ into Work Jobsfair on 29th Feb 2008 @

Brockhill & Hewell Grange open prison

Reducing re-offending is critical to the creation of safer and stronger communities. Individuals from an offending background need to be given an opportunity to break from the cycle of offending and help to find regular employment on release from prison. Without employers willing to give them an opportunity they cannot do this.

Jobcentre Plus, in conjunction with Brockhill & Hewell Grange open prison and our partners, are arranging an exciting Jobsfair at which we want to bring together employers for whom diversity is at the forefront of their business with prisoners who are looking to move into work on their release from prison.

The event will include presentations from ex-offenders, employers, Jobcentre Plus & representatives from the prison. There is no charge to attend.

In addition there will be a careers element to the day where you can talk to prisoners about to be released regarding the jobs & careers your organisation can offer, & the methods of recruitment you use. We would like you to be involved in this event which we are sure you will find both interesting and thought provoking and are able to reserve a stand for you.

If you would like to be involved in this event please complete the reply slip below. If you would like further information on the event, please contact John Chambers on 01562 623649 or Jamie Jacobsen on 01432 363672.
