

**CAMPAIGNING ALLIANCE
FOR LIFELONG LEARNING**

NIACE, NUS, UNISON, UCU, the WEA and 20 other bodies have formed CALL to rescue adult education after the loss of 1.5 million course places in the last two years.

We believe our education system should provide:

- 1. equality of access to high quality education for all learners and a statutory right to learning in the workplace**
- 2. universal access to basic skills, ESOL and ICT courses and a first level three**
- 3. learner, teacher and community involvement in all levels of decision-making**
- 4. learning for personal wellbeing and development and the maintenance of local authority adult education**
- 5. a path out of poverty and disadvantage including widening participation in higher education and the provision of a second chance later in life**
- 6. a stable, motivated and rewarded workforce of professional practitioners.**
